

Exp 01. Create a simple cloud software application and provide it as a service using any Cloud Service Provider to demonstrate Software as a Service (SaaS).

Aim

To create a simple Movie Ticket Booking cloud application using Zoho Creator and provide it as a service over the cloud to demonstrate the Software as a Service (SaaS) model.

Procedure

1. Start and Login – Sign in to Zoho Creator with your Zoho account.
2. Create Application – Choose “Create New App” and select from template or build from scratch.
3. Design Forms & Reports – Add forms for input (e.g., user details, items) and reports for displaying data.
4. Add Logic/Workflows – Use Deluge scripts to automate actions like validation and notifications.
5. Set Roles & Permissions – Assign access levels to users for secure usage.
6. Deploy & Share – Publish the app, get the URL, and provide it to users as SaaS

Output

The screenshot shows a web browser window for 'Ticket Booking - Development' on 'creatorapp.zoho.in'. The main content is a 'Book a Cab' form. The form fields include:

- Time: 13:37:00
- Passenger Name: Reha Dinesh (First Name: Reha, Last Name: Dinesh)
- Email Id: rehadineshjr@gmail.com
- Mobile Number: +91 9344056822
- Gender: Male
- Booking Date: 09-Jan-2026
- Travel Date: 10-Jan-2026
- Pickup Time: 21:00
- Pick me from*: Savetha Engineering College
- Address Line 1: Front Medical Gate
- City / District: Chennai
- State Province: Tamil Nadu
- Postal Code: 602 105
- Country: India
- Drop me here*: Kandamkulam
- Address Line 1: Kanyakumari
- Address Line 2: Nagercoil
- City / District: Nagercoil
- State Province: Tamil Nadu
- Postal Code: 629810
- Country: India

The screenshot shows a Chrome browser window with a dark theme. The address bar indicates the URL is `creatorapp.zoho.in/reshadineshjr/environment/development/ticket-booking/#Report:Bookings`. The main content area is titled "Ticket Booking" and shows a "Bookings" report. The report table has the following data:

	Passenger Name	Email Id	Mobile Number	Gender	Booking Date	Pickup Time
08-Jan-2026	Resha Dineh JR	reshadineshjr@gmail.com	+919344056822	Female	07-Jan-2026	18:00
10-Jan-2026	Resha Dineh	reshadineshjr@gmail.com	+919344056822	Female	08-Jan-2026	21:00

At the bottom of the browser window, there is a "Showing 2 of 2" message. The browser's status bar shows the date as "Thu Jan 8 1:39 PM". The docked bar at the bottom contains various Mac OS X application icons, including Finder, Mail, Safari, and others.

Result

Thus, a simple cloud-based application was successfully created and deployed using **Zoho Creator**, and it was provided as a **Software as a Service (SaaS)** model.
